## THE MUSIC OF BILLY JOEL

Starring

### MICHAEL CAVANAUGH

With the New Albany Symphony Orchestra

August 14

Star of Billy Joel's Broadway Musical "Movin' Out"

Evening begins at 7pm with food and beverage  
Performance at 8pm

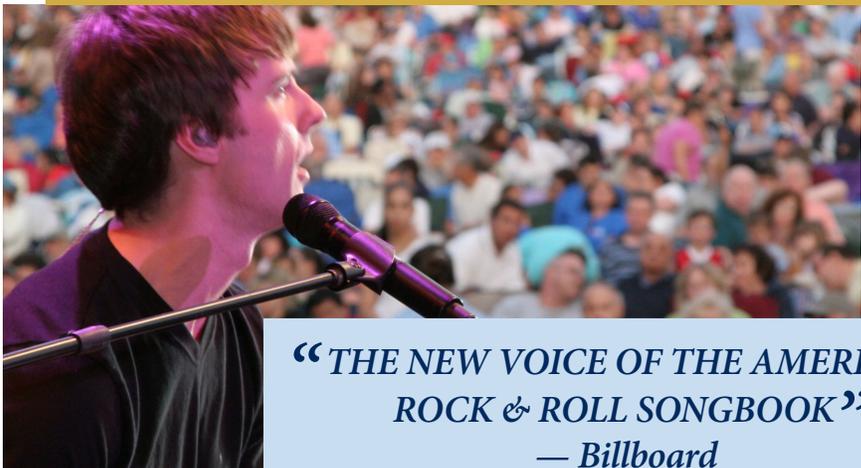

**MICHAEL CAVANAUGH** is the new voice of the American Rock & Roll Songbook and a charismatic performer and musician made famous for his piano/lead vocals in the Broadway musical *Movin' Out*. Handpicked by Billy Joel to star in *Movin' Out*, Cavanaugh evokes a style rivaling the Piano Man. He appeared in the show for three years with over 1,200 performances and received multiple accolades. The show culminated in 2003 receiving Grammy and Tony awards.

Michael began playing at age seven, when his parents bought their first piano. Encouraged by family and friends, and inspired by his hero Billy Joel, Michael formed his first band at age 10 and began playing local functions, fine-tuning the craft that would become his chosen career. His first full-time gig as a musician was an extended engagement in Orlando, Florida, at a piano bar called Blazing Pianos.

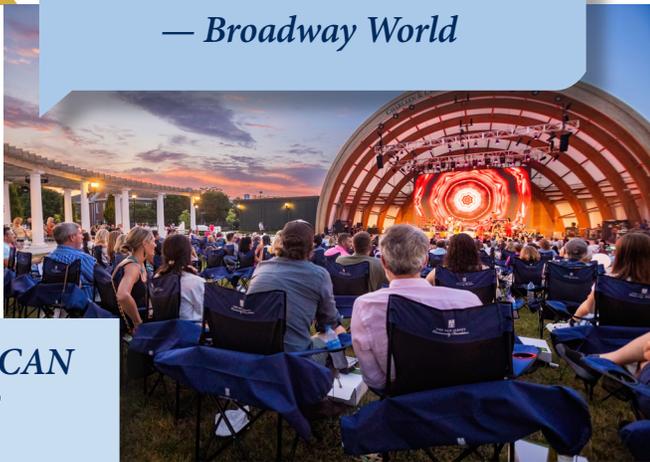

In January of 1999, Michael received an offer that would unknowingly change his life: an opportunity to play Las Vegas at the famed New York, New York Hotel and Casino. It was there that Billy Joel spotted Michael and joined him on stage one fateful night of February 2001. It only took two songs before Billy was convinced that he had found his new Piano Man: Michael Cavanaugh. Michael closed up shop at New York, New York and moved to New York City to work alongside Billy Joel and Twyla Tharp to shape the Broadway Musical that would be called *Movin' Out*. In the lead role, he received both Tony and Grammy nominations.
